Should We Prepare an Insurance Claim for You?

If you have maternity insurance we can prepare a claim for you to file with your insurance company for reimbursement for our services.

1. Do you have maternity insurance: Yes No

2. Should we prepare a claim for you following delivery? Yes No
   We do not prepare claims for Select Health, Altius, or Medicaid because they will not pay.

3. If Yes to 1 and 2, do we have a copy of your current insurance card? Yes No
   If no, please give us a copy of your card (we can make it at the office). We cannot prepare the claim without this information.

Please return this form to your midwife or the BetterBirth, LLC office.
